For **part-time registrars** the differences are:

- All GPT/PRR 1 / 2 workshops all done in 12 calendar months
- ECTVs will have two in the 6 months of full time equivalent (FTE), with one in first 3 months of FTE and one in the last 3 months of FTE in term.

Cluster groups – There are 5 regional cluster groups that have optional mid-week monthly meetings from February to November (inclusive). Check the calendar for the dates of your regional cluster group meetings.

EV e-learning (EVe) modules are available to all registrars. They can be done as catch up for those who have missed workshops. However, any registrar can self-enrol in any learning module for reinforcement of workshop sessions or personal learning if desired.

Community issues project, peer teaching or audit – registrars are required to complete at least one of these prior to the end of Core Vocational Training, but are encouraged to do them all. You should be planning by the middle of the term which one(s) you will do and when you will complete this requirement.

ACCRM registrars – please note:

- ECT visits usually include formative miniCEX with prior arrangement with the ECT visitor
- Training Advisor (TA) visits may include case based discussions with prior arrangement with the TA
- ACCRM's online learning includes access to the procedural skills log and, at least 4 approved modules need to be completed during training
- Assessment enrolment dates for 2020 are not available as at July 2019. This is managed by ACCRM and for the most up to date information please see: <http://www.acrrm.org.au/training-towards-fellowship/reporting-and-assessments/dates-and-enrolment>
