

EVGPT Applicant Confidentiality Agreement

Eastern Victoria GP Training (EVGPT) is conducting the interview element of the Royal Australian College of General Practitioners (RACGP) selection process. The interview process includes questions developed by both the RACGP and EVGPT. This EVGPT confidentiality agreement is complementary and additional to the RACGP confidentiality agreement you have already entered.

In this agreement, **Confidential Information** means all non-public information, written or oral, disclosed either directly or indirectly through any means of communication or observation by EVGPT or connected to Selection, but excludes information that is or becomes publicly available. As an example, it would include the questions asked during the interview.

In signing this agreement, the applicant agrees that:

- They acknowledge the Confidential Information of EVGPT is and will remain the property of EVGPT
- They will not share the Confidential Information with any other party
- They will not keep or share any information about the questions asked in the process
- They will not electronically or manually record any aspect of the interview process
- They will not allow any other party to listen to the interview at the interviewer end
- They will destroy any notes they make during the interview process immediately after the interview in a secure manner.

It is noted that the *RACGP Educational Misconduct Policy* applies to doctors applying to an RACGP Fellowship Pathway. EVGPT also reserves the right to consider any breaches of this agreement as part of the decisions about selection.
