For **part-time registrars** the differences are:

- All GPT/CGT 1/2 workshops all done in 12 calendar months
- ECTVs for ACRRM CGT1 registrars: there are two visits per semester (visit 1 & 2) except for 0.5 FTE where there will be one visit per semester. For further information and variations, refer to the *ECTV Schedule – Semester 2.2021* available to download from Pivotal under Resources search category *ECTV*.
- CLAMs for RACGP CGT1 registrars: the frequency and timing of CLAMs is determined via discussion with the TA. For further information, refer to the Registrar Handbook (GPT1 Pilot).

Cluster groups – There are 5 regional cluster groups (optional) that have optional mid-week monthly meetings from August to November (inclusive). Check the calendar for the dates of your regional cluster group meetings.

EV e-learning (EVE) modules are available to all registrars. They can be done as catch up for those who have missed workshops. However, any registrar can self-enrol in any learning module for reinforcement of workshop sessions or personal learning if desired.

ACRRM CGT1 registrars:

- ECT visits usually include formative miniCEX with prior arrangement with the ECT visitor. [Click here](#) to download the miniCEX form.
- Training Advisor (TA) visits may include case based discussions with prior arrangement with the TA
- ACRRM's online learning includes access to the Procedural Skills log and, at least 4 approved Modules need to be completed during training
- Refer to the ACRRM Placement Guide available to download from <https://www.evgptraining.com.au/resources/>
- Assessment enrolment dates for 2022 are not yet available. This is managed by ACRRM and for the most up to date information please see: <https://www.acrrm.org.au/fellowship/discover-fellowship/assessment/assessment-dates-enrolments>

RACGP GPT1 registrars:

- For more information, registrars should refer to the Registrar Handbook (GPT1 Pilot) which is available to download from EV website under [Registrar/resources](#)
