What is a Registrar Liaison Officer?

- We liaise between registrars and Eastern Victoria GP Training (EV)
- Assist with conflict resolution if and when the need arises
- We represent the views of registrars to EV, as well as facilitate communication between them
- We provide support to registrars
- We take any feedback from registrar cohort regarding changes to the program to EV
- We provide representation and act as a contact point for registrars. This can include:
 - EV sub-committees
 - GPRA
 - RACGP
- We provide information about GP vocational training to prospective GP registrars or new EV registrars

Contact your RLO if experiencing

- Contract issues
- Issues relating to pays
- Leave issues
- Reduction in hours at work, which may as a result affect training time
- Stress
- Conflicts at work i.e. bullying
- Not feeling supported i.e. workplace
- Looking for a study group/partner

About us

If we may not be able to assist you, we will definitely direct you the right way and to the right people.

The RLOs take turns looking through emails (so there is always someone rostered on everyday) and will definitely get back to you ASAP.

Find out more by visiting the RLO page on the EV website at

GPRA

You may also contact the GPRA directly for advice and support or if you are having issues or questions relating to your employment agreement.

<https://gpra.org.au>

Information is also available on the National Terms and Conditions for the Employment of Registrars (NTCER)

We also encourage registrars to become a member of GPRA
